

FileMaker Certification

LEARNING PATH

Participants

This program is intended for FileMaker developers who wish to take the official [certification](#) exam offered by *Claris International Inc.*

What's included

Participants who register for the FileMaker Certification Learning Path program receive:

- 3-hour training session dedicated to the preparation for the certification exam (in a small group of 3 participants max.)
- 3-hour time bank for individual coaching with one of our FileMaker certified trainers.
- A not-for-resale (NFR) educational copy of the latest version of FileMaker Pro.
- Exclusive access to Direct Impact Solutions' certification exam preparation materials.
- A promotional code for 50% off our FileMaker training classes

Prerequisites

- This program assumes a certain level of knowledge and interest in Claris certification.
- This program may not be beneficial to beginners or intermediate developers of Claris FileMaker Pro. Based on these prerequisites, Direct Impact reserves the right to refuse an applicant's entry.

Pricing

- \$1195.00 CAD per enrolled participant
- Additional coaching hours can be purchased as needed (\$195 per hour)

Conditions

- After registration, participants must complete and sign the commitment letter.
- The benefits detailed above expire one year after the registration date.
- Registration fees for the Claris certification exam must be paid by the participant directly to Claris.
- While this program is designed to help participants pass the certification exam, Direct Impact Solutions cannot guarantee that, upon completion, participants will pass the exam.
